

COMPANY PROFILE

A photograph of a modern, multi-story office building with a glass facade. The building has a prominent white concrete structure on top. The glass reflects the sky and surrounding environment. A blue rectangular overlay is positioned in the lower-left corner of the image.

PT. MAIN

PT MULTI ARTA INDUSTRI is a company specializing in rubber and silicone, providing solutions for the needs of the household electrical appliances industry in Indonesia.

ABOUT OUR COMPANY

OUR MOTTO:

“Your Satisfaction is Our Goal”

OUR HISTORY:

In line with the development and growth of the home industry in Indonesia, starting in 2013 PT Multi Arta Industri (MAiN) manufactures silicone – rubber parts for home electrical appliance producers Indonesia.

We apply ISO management standard and in February 2025, we relocate our Tangerang factory to a new location at Mranggen, Demak, Central Java.

Together, we continue to strive for quality and growth with our customer.

VISION

***To Build Customer Trust with
excellent Price, Quality &
Delivery Time***

MISSION

01

Making quality products with good prices, quality & on time delivery.

02

Learning and developing our manufacturing process.

03

Continuous recruiting & training our Human Resources Department.

04

Improving factory facilities and infrastructure to support Production.

05
